

Certificate in Manufacturing Leadership Early Bird Special

The Certificate in Manufacturing Leadership Program has been a source of quality supervisory training for Council of Industry members for more than twenty years now. As part of CI's effort to make this training affordable to all of our members we are offering a valuable discount to companies that **register and pay** for individual Certificate in Manufacturing Leadership classes or the entire program **by December 23rd, 2017**. For companies with more than one employee in the program or attending the same class the savings is even greater. For specific discounted rates see the table below.

	Single Member	Two or More From Same Company
One Day Course	\$200.00 before discount \$185.00 with Early Bird discount	\$175.00 before discount \$160.00 with Early Bird discount
Fundamentals of Leadership	\$400.00 before discount \$370.00 with Early Bird discount	\$350.00 before discount \$320.00 with Early Bird discount
Entire Program	\$1,700.00 before \$1,600.00 with Early Bird discount	\$1,550.00 before discount \$1,450.00 with Early Bird discount

The Certificate in Manufacturing Leadership Program is a comprehensive group of courses, offered by the Council of Industry in conjunction with Dutchess Community College, that prepare supervisors for their challenging positions at manufacturing facilities. The program is designed to educate participants in particular skill sets through classes such as the ones listed on the back of this flier. Upon completion of the required coursework the individual will be presented with a Certificate of Manufacturing Leadership by the Council of Industry and Dutchess Community College at our Annual Luncheon.

Certificate in Manufacturing Leadership
