Get More Power From Your Membership

The Council of Industry has continued to select Direct Energy Business, one of North America's largest retail energy suppliers, to be the preferred energy supplier for its members.

Energy markets are complex and unpredictable, which makes energy management and optimizing your purchasing strategy a challenge for any business. By leaning on the strengths of Direct Energy Business, a full-service energy supplier, your business has the opportunity to leverage resources, information, and services that could result in better, more cost-effective purchasing decisions.

For more information, contact your dedicated Direct Energy Business Representative:
